Hi George,

We've all left the house now and I've left my keys on my bed.

We have cleaned all the bathrooms and the kitchen but unfortunately did not have time to Hoover the rooms or mop. All the things left in the house belong to the lads that are moving in in September. We tried to keep it in the room that was finished earlier this summer so that you have room to work on the other rooms if you need to.

And as I was leaving today the lock on the backdoor got stuck. I could still lock and unlock it but the handle wouldn't open the door. So I'm not sure what happened there.

And on behalf of all of us that are leaving I would like to tell you that you have been the best landlord we've had in our time here. You fixed every problem as soon as we told you there was something wrong. And we want to thank you for your patience considering that we were extremely unorganized at times. Thank you very very much for everything.

Kind regards,  
David
