To: George Warren Warren <georgewk21@hotmail.com>;

Good Evening George,

Hope you are well and enjoying the summer!

Just a quick email to run a few things past you.

Firstly I have recently been given a three day work experience in Norwich starting on the 23rd - 25th August. I understand my tenancy is now finished but I was going to request if I could stay in the house on those two nights. It would help me out massively if I could.

Secondly I was going through some paperwork that I've accumulated this year and there was a letter sent from yourself with deposit documentation inside. There are a few documents I was supposed to sign and return to you which I apologise hasn't been done because I thought it was lost. Do you want me to return these to you now? I am abroad for the next two weeks and will try my best to correspond but if you could let me know what I need to do next in the meantime.

Thank you very much for this year George, it has been fantastic living in the house and you have been extremely helpful to us. I have emailed homerun to express how thankful I am.

Kind Regards

Michael
