Hi George,

Completely moved out today, except for my bike in the shed.

My mum and I packed up, cleaned, dusted and hoovered my room, leaving it as it was when I moved in. As well as clearing and cleaning out my kitchen cupboard and fridge/freezer drawer.

I left my keys with the people still living in the house.

Thank you very much for being a great landlord and for letting me keep my bike there over the rest of the summer.

Best wishes,

Katrina

Subject: Bike shed

Hi George,

Hope you are well!

I'm planning to come back up to Norwich to move my stuff out of the house next weekend (27th), but I was wondering if it would be possible to leave my bike in the bike shed until I return again in September? Worried I might not be able to fit it all in the car otherwise.
